

CHARLESWOOD ART GROUP

Membership Information

Thank you for your interest in the Charleswood Art Group. We hope the following information will help you decide if **CAG** is the group for you!

Our group meets on Mondays, from 10:00am to 3:00pm, September through May, at Gloria Dei Church – 637 Buckingham Road. (Located at the corner of Eldridge and Buckingham in Charleswood).

Our weekly studio meetings and scheduled workshops are fun, inspiring and help us to grow as artists. We have no regular instructor, but instead arrange workshops throughout the year with various Manitoba artists and with our own talented members. Applicants should have enough experience that they can enjoy and feel comfortable participating in our workshops and art shows. All workshops, demonstrations and presentations are included in your membership fee (no further charges!).

New applicants will be invited to bring a few examples of their original work for an interview with our group. At that time you will be able to meet some members, view the facilities and ask questions.

Please return your completed application to the membership chairperson, either by mail or through the provided email address:

Following the initial interview, successful applicants will be contacted by the Membership Committee. At that time you may confirm your membership by remitting the Annual Fee of \$250 by check, made payable to the **Charleswood Art Group** and sent to Cindy Baron (3 Mercury Bay, Winnipeg Mb R3T 0W7) **or** sent by e-transfer to cagtreasurer@protonmail.ca. This amount includes your registration for our annual *Spring Show & Sale*, as well as all workshops. You will be issued a membership card which provides you with a PST number, and entitles you to a discount at some art supply stores in Winnipeg.

If you join CAG, there is volunteer work to be done by each member. Your membership in CAG implies a willingness and enthusiasm to attend the studio group most weeks, and to participate in group activities, committees and leadership positions and in any other CAG activities. All members are expected to participate and actively support all areas of the Charleswood Art group through volunteering.
